No need to sign up for these classes! Just show up for any one you like, as often as you would like. Group Exercise classes are included in your membership. Participation is on a first come, first served basis, so come early to claim your space and set up. Have no fear if you are a beginner. Every class welcomes new participants. We have options to suit a range of basic and more advanced training.

Unless otherwise noted, all classes are 55 minutes and include time for proper warm-up and cool down. Please **bring a water bottle and a small towel**. For safety reasons, do not come into class after the first 10 minutes unless you have warmed up. Make sure to wear comfortable clothing and supportive footwear.
